

Nanaimo IPSC Report

By Jim Wilbur

On July 14th and 15th, Nanaimo Fish & Game hosted our annual IPSC BC double qualifier, two separate matches held on consecutive days. More than 100 shooters from all over the province (and one from Grand Cayman Islands!) braved the scorching heat to come out and shoot seven stages (mini matches) consisting a total of 212 rounds each day. When the smoke cleared and the computer finished crunching the numbers, the winners were announced.

On behalf of myself and the rest of the match committee (Kevin Wheatcroft, Jurgen Brandmeier and Rob Clarke), I would like to thank everyone who came out and shot the match, our helpers for set-up and tear-down and congratulate all of the division and class winners. We're looking forward to doing this all over again next year.
